

A lighthouse stands on a dark, rocky cliff at night. The lighthouse is illuminated from within, casting a bright glow. A person in a light-colored jacket stands on the cliff in front of the lighthouse. The sky is dark with a vibrant, colorful galaxy or nebula in the upper right corner. The overall scene is dramatic and atmospheric.

LIGHTHOUSE IS FOR ANYONE WHO HAS EXPERIENCED THE LOSS OF SOMEONE CLOSE.  
IT IS, ABOVE ALL ELSE, A LOVE STORY...

This album was created from letters and journals written on a journey through grief.  
And while the inspiration for the album came from our dear friend Ashley, its message is universal.

ACKNOWLEDGEMENTS

Greg, I am so grateful to you for creating this album with me. I am in awe of all the hats you wore for this project and of the stunning music you wrote. What a beautiful collaboration in honour of our dear friend.

Tom, it's difficult to find the right words to express how grateful I am to have you in my life. Thank you for sharing such a personal part of your healing with us, inspiring us to make this musical journey.

Miss you, Ash. Thank you for continuing to show us all love from another universe. Your presence is very much alive.

Thank you, Lori and David, for hosting us at Gillespie House Inn and letting us turn your beautiful Yoga Studio and meeting space into a recording studio.

Thank you, Leaf Music, for continuing to help me build my career, through meaningful milestones.

Thank you to my husband, Richard, for being my rock. Always.

Thank you to my whole family for your incredible orbit of support and encouragement.

Ashley embodied warmth and love. She was fiercely loyal and dedicated to her family, friends, and profession. She had this incredible ability to make everyone around her feel like the most important person in the world. She dreamed big, she laughed big, and she loved big. Ashley's zest for life made her such a joy to be around. We had some seriously good times. My life has been forever enriched by her.

~Maureen

Reminders  
Finding reminders  
Finding reminders and treasures  
Finding reminders and treasures from you this week  
I gave the necklace to your Nana  
She loved it and cried

Guiding light  
Alone  
Waves of feeling alone

When I have been lost or hurt, you are my rock

## 3. COME FIND ME IN A DREAM

(Lyrics by Tom Belding, Grej)

Come find me in a dream  
Come find me in a dream

I'll be with you in this place  
I'll be with you in this place

Come find me in a dream  
I'm here, light-years away  
Come find me in a dream  
I'm here, light-years away

So many questions but not enough time  
So many questions but not enough time

Come find me in a dream  
I'm here, light-years away  
Come find me in a dream  
I'm here, light-years away

A little more time with you  
Don't cry, don't be sad  
A little more time with you  
Don't cry, don't be sad  
Just a little more time with you  
Don't cry, don't be sad

Come find me in a dream  
I'm here, light-years away  
Come find me in a dream  
I'm here, light-years away

## 4. LETTER TO DEATH

(Lyrics by Ashley Belding, Maureen Batt)

Dear Death,  
Let's get on the same page.  
Dear Death,  
I don't want to meet you for a very long time.

Dear Death,  
I'll check in with you every now and again,  
But for now, I've got a lot to do.

There's nothing much to say to you,  
Dear Death, for now.  
I have nothing much to say to you,  
Dear Death, for now.

## 6. LOVE YOU FOREVER

### PLUS A DAY

(Lyrics by Tom Belding)

But also that's impossible.

You are a part of my soul.

Forever in my thoughts.

I can look ahead, but I want you with me.

Love you forever, plus a day.

## 7. PIECES OF YOU

(Lyrics by Maureen Batt, Grej)

I hear you

I see you

I hear you/ can you hear my voice?

I see you/ can you hear my voice?

Fragments of/ can you hear my voice?

Like raindrops/ can you hear my voice?

I'm sinking/ can you hear my voice?

Falling down/ can you hear my voice?

I hear you/ can you hear my voice?

Fragments of you around

Like raindrops falling down

I'm sinking in the ground

Like raindrops
