

Kevin Lau: Under A Veil of Stars sees three outstanding musicians actualizing the themes of escapism, surreality, and temporality. Over nine tracks, *Under A Veil of Stars* careens through several moods and themes, each inviting the listener a chance to interpret the meaning through their unique lens, before culminating in the album's centerpiece; the three-movement *Under a Veil of Stars*. This piece chronicles the themes and motifs of life's overarching three stages – childhood, adulthood, and old age. *Kevin Lau: Under A Veil of Stars* is at once intimate and grandiose.
