

*Chinatown* revolves around the intertwining lives of Saihin and Xon Pon, two young men from Hoisan county in South China who have come to Canada in search of prosperity. We follow their story as they meet, work together, endure hardships and have families of their own. A collaboration between composer **Alice Ping Yee Ho**, librettist **Madeleine Thien**, and Hoisanese translator **Paul Yee**, *Chinatown* brings together decades of lived experience from thousands of Chinese immigrants in an intimate and emotionally arresting musical and dramatic soundscape.
